How we Do Our Project Execution

1. Site Visit

We make sure our client gets all the information on the very first day of our visit with the POA of our work.

2. Design & Documentation

Making a clear view about the way the whole project will look like & net Metering process.

3. Fabrication & Installation

A complete frame of GI with bolts & nuts for better strength & installation according to the SLD with proper chain of Strings & Series.

4. Commissioning & Net Meter

Final step when the entire Solar system ready to connect with Net Meter.

Solar Direct Income Source

Role (Channel Sales)	Franchise Cost	Roles & Responsibility	Free Balance
Channel Partner (solar + EV Combo)	5,00,000	Any 1 District & Channel Partner Right now you can Create unlimited Retailer	Unlimited

5 Type Of Income Source in Solar Business

Role (Channel Sales)	Direct Income	Indirect Income	Product Sales	AMC	EV Charging Income
Channel Partner	15%	5%	15%	50%	10%

What You Will get on Signup Max Energy Solar System

Role (Channel Sales)	What You Will Get on Signup	Business Manager	Requirement
Channel Partner	Marketing Material + Software + 3 days physical Site Visit and training + 1 Partner Certificate Marketing Material - 1k Visiting Card + 1k Brochure + 2 Banner + 2 Standee Sample Products - 1KW Offgrid DIY Kit + 2 Rocklight + 2 Street Light + 1 Single Socket Smart Ev Charger + 1KW Solar Panels + 1 Tab	1 Technical Support	150 Sqft Office & 1 Sales Person
